  > Tech: h5, css3, jQuery, vuetify, axios API call, etc.

## EXPERIENCE

### TÊDÊCAR AUTOCARAVANAS LTD FRONT-END DEVELOPER INTERN
*April 2018 – November  2018*
Responsibilities:
The role at this company was to develop a Vue application that served as the frontend for an existing set of APIs that are connected to the company's CRM/order system.
The previous solution was no longer supported on newer operative systems, hence the need to migrate it to newer technologies. My responsibilities included:
- Set up a new Vue project, including source control.
- Migrate old Windows forms to web forms.
- Connect all the forms to the right APIs.
- Modernize the overall look of the application, made it simpler to use, and removed fields that were no longer used or needed to be changed.

### VADO  ACCOUNT MANAGER
*April 2017 – March 2018*
Responsibilities: QA and shipping plans, office Administrator.

### FESCO LINES CHINA  FINANCE/ACCOUNTING ASSISTANT
*May 2016 – February 2017*
Responsibilities:  In charge of payments and invoices, tracking shipping status.

### KEJIAN HOLDINGS  TRADING SPECIALIST/ASSISTANT
*December 2015 – April 2016*
Responsibilities:  SEO of company websites and Alibaba store, translation, joint of the UK branches with the China one.

## RECOMMENDATION

I've been extremely impressed with not only your ability and intelligence, but also your attitude towards the work you are doing. It is so lovely to see someone so much wanting to get things right and accurate. I am of the strong belief that you are going to so well in VADO, and you are already one of our highly valued members of staff.
------------------------------------------------------------------------------------------------------Dan Carter, VADO boss
"I can recommend her strongly. She is smart and has a very fast grasp of new stuff", "She is creative and always tried to find the best solution when problem occurred", "I know she will continue to find success in any jobs because of her descent characteristic and working attitude."
-----------------------------------------------------------------------------------------------Cissy Chen, FESCO dep. manager
